

## INFORMATION DISCLOSURE STATEMENT

Title of Application: Multiple-Antenna Jamming System

Inventors: Ralph H. Halladay, Michael R. Christian and Donald E. Lovelace

AMPC Number: 5096

Applicants are aware of no information which, in their opinion, is material to patentability of the invention described in the application and which is not cumulative to information already of record, if any, in the application and which further establishes, by itself or in combination with other information, a *prima facie* case of unpatentability of a claim.
